

# 40' Obstacle

Looking for an awesome obstacle course at an affordable price? Here it is! Find lots of challenging obstacles in this 40 foot straight line course.

Targeted Age: 4+ | Size: 40x10x12 | Power: 1-20 Amp Circuit | Set up: 1 Person

## Set up and Operating Instructions

1. You have one "roll".
2. Start unrolling from the back to the front.
3. Attach blower to the one air tube.
4. If outside, you must stake unit down. Start on one end and stake corners. Work your way to the other side, pulling unit tight as you go.
5. Stakes should be placed in all corners and at least 2 tethers from the side of the game.
6. Turn on blower. Make sure all air vents are closed.
7. The Obstacle Course will fully inflate in about 5 minutes.
8. Blower must remain on during use.
9. When finished, open all vents and turn the blower off. Fold the piece so it is approximately 4ft wide.
10. Please re-roll same direction as was unrolled. Make sure unit is rolled tightly and put game strap around game.

## Rules of Operation

1. Absolutely no flips somersaults or sliding down face first!
2. No shoes.
3. No sharp jewelry.
4. Two players at a time.
5. Kids will go crazy, so please use common sense while watching game. Don't let things get out of control.
