Event Date:

Set up/Tear Down Contract

Games Galore will deliver and set up the inflatable(s)/game(s)/equipment and Lessee will be responsible for inflatable/game supervision. Games Galore will also tear down and return equipment to main office.

1. General Rules to Follow During Use of Equipment

All riders must remove shoes, jewelry and eye glasses before playing on the game.

To avoid neck and back injuries, **FLIPS ARE NOT ALLOWED**. Sliding on any game must be feet first.

Children's safety depends on an attendant at each game. Your personal supervision is absolutely required. As the Lessee of the game, the safety of all riders is your responsibility.

Strictly follow all rules printed on the game.

Absolutely no Silly String, gum, candy, food, drinks or other substances are allowed in or on the game. If upon return of the game, cleaning is required due to these factors, a \$100 hourly cleaning fee will be charged to the lessee.

All rules contained in the attached "Safety Rules" are incorporated herein and made a part of the Rental Agreement.

Once set up, do not move the game from the place where it was installed.

Keep the games away from swimming pools and other bodies of water.

2. Operation

The game's equipment is reliable. Should the game begin to deflate: Proceed to the entrance of the game and help the children exit the game. After everyone is out of the game, check the following: 1) The blower may have stopped, in which case check the cord connection at the outlet. Do not add an extension cord or move the blower plug-in once Games Galore has set up. The motors pull about 12 amps. Normal circuits will hold 15 amps, so if you have other things running on the same circuit the breaker will trip. Find another circuit. 2) The motor is still running but is not holding the game up. If

this is the case, the intake on the motor may be blocked by a piece of paper or leaves. Remove the blockage and the motor will run normally. If the motor is running properly, there is no blockage and the game is still not working, there may be a major rip in the game. In this case, please immediately cease using the games, and call Games Galore for assistance 701-373-0104. After business hours, call Marc's cell phone 701-212-0194, Corey's cell phone 701-361-1331, or Tera's cell phone 701-866-4907.
